

The Lindqvist home

Who cleans what, and when, in four weeks that repeat

STANDARD	RHYTHM	WEEKS START ON
Tidy home	A little every day	Monday
WHO IS IN		
<div></div> Sara		59 jobs a week
<div></div> Jonas		63 jobs a week
<div></div> Ella		24 jobs a week
<div></div> Leo		16 jobs a week

What this is: a schedule that shares the cleaning of this home between the people who live in it, in four weeks that repeat. Daily jobs rotate every week so nobody keeps the worst one. What it is not: advice on products, chemicals or safety. Follow the label of whatever you clean with.

How to use this schedule

Print it and put it where everyone passes, or keep it on a phone. Tick a box when a job is done.

1. Start with week 1 on your first start day, then weeks 2, 3 and 4, then week 1 again.
2. The left column is each person's daily jobs for the week. The day boxes hold everything else.
3. Daily jobs change hands every week, so the same person does not always get the same job.
4. Swap freely: if two people trade a day, cross it out and write the name.
5. The room list shows every job in the home and how often it comes round.
6. Seasonal jobs are on the year page, one month at a time.
